Sir:

This is an Information Disclosure Statement submitted for the Examiner's consideration. Applicants respectfully request that the Examiner review and make of record the references identified below.

 X The references identified below were disclosed in parent application Serial No. 08/742,440 and, as such, copies thereof are not included pursuant to the provisions of 37 C.F.R. §1.98(d).

A Form PTO-1449 listing the references accompanies this paper. Applicants would appreciate the Examiner's initialing and returning the form to indicate that the references have been reviewed and made of record. The references are as follows:

U.S. Patent Documents:

5,256,766, to Coughlin dated 10/1993; and
5,686,597 to Coleman et al. dated 11/1997.

Foreign Patent Documents:

WO 95/19436, published 07/1995;

Other Documents:

Amatruda III, T.T. et al. (1991) "G α 16, a G protein α subunit specifically expressed in hematopoietic cells," Proc. Natl. Acad. Sci. 88:5587-91.

This Information Disclosure Statement is not intended as a representation that a search has been made, that additional information material to the examination of this application does not exist, or that any one of the above references constitutes prior art to the present application within the meaning of 35 U.S.C. §102.

As applicants have not yet received a first Action on the merits, no fee is believed to be required for filing this Disclosure Statement. If, however, the PTO finds that for some reason a fee is due, our Deposit Account No. 50-0815 may be charged therefor.

Respectfully submitted,

By:
